WORK EXPERIENCE

Projects:

- Jobsy. - MERN Fullstack Projekt (Design, Frontend)
[Design Link](#), [Web Page Link](#)
- Tip Calculator - ReactJS, Tailwind
- Login, Logout, Create Account - ReactJS, Firebase
- Memory Game - JavaScript

Service 09/2021-aktuell

Piccoli's Roadhouse, Hannover

Work in service requiring the highest quality of work to prepare solutions and ensure they meet customer needs.

Customer service/support (1-month internship) 10.2021

T.D.M. Telefon-Direkt-Marketing GmbH, Hannover

Providing exceptional customer service through phone support, order follow-up, and prompt processing of customer orders with a focus on customer satisfaction.

Content Writer 2018-2020

As a freelance content writer in the fields of lifestyle, design, food, health, and beauty, I was responsible for researching and creating high-quality and original content, as well as collaborating with clients to produce customized texts that met their specific needs.

Gastronomy sector: Cracow, Poland 2010-2020

I worked in the hospitality industry for several years with a focus on customer service. During my customer-oriented roles in some of the best restaurants in Krakow, including a Michelin award-winning restaurant, I was able to further develop my skills in effective communication and customer interaction, and gain a deep appreciation for the importance of building trust with customers.

ABOUT

- 📍 Hannover, DE
- 📶 open for remote work
- 📦 open to relocation

As a passionate web development graduate, I am dedicated to creating user-friendly websites and constantly seeking new challenges to expand my skills. My innate talent for strategy, combined with my strong teamwork skills, make me a valuable asset to any team. Despite continuously learning and growing in my field, I bring a positive and proactive attitude to every project and am confident in delivering exceptional results.
